Corporate Social Responsibility.

Community - Tivoli's community ethos is simple - to make a positive impact in the communities where we live and operate. We have a strong focus on supporting young people and those furthest from the workforce into employment and forming strong partnerships with social enterprise groups.

Environment - Tivoli's aim is to not only reduce any negative environmental impact on society but also reinvest in it. Through our ISO 14001 accreditation we continue to demonstrate a robust approach to maintaining a sustainable and ethical business, which is reflected in our projects that create clean, green and safe environments.

Charity – Our charitable endeavours have included working with veterans charities such as Gardening Leave and HighGround, both of whom use horticultural therapy to benefit veterans with mental health issues. We are also very proud partners of Perennial – the charity dedicated to supporting those working in, or retired from the horticulture industry.
